Overview:

- What is ORCID ID?
- ORCID database Vision and Mission
- How to create a personal account?
- How to manage your resume?

- **Our vision**

ORCID's vision is a world where all who participate in research, scholarship, and innovation are uniquely identified and connected to their contributions across disciplines, borders, and time.

- **Our mission**

ORCID provides an identifier for individuals to use with their name as they engage in research, scholarship, and innovation activities. We provide this service to help people find information and to simplify reporting and analysis.

Register for an ORCID iD

ORCID provides a persistent digital identifier that distinguishes you from every other researcher and, through integration in key research workflows such as manuscript and grant submission, supports automated linkages between you and your professional activities ensuring that your work is recognized.

As per ORCID's [terms and conditions](#), you may only register for an ORCID iD for yourself.

über WIZARD for ORCID

Easily import your grants from ÜberResearch into ORCID.

1 Select grants to submit

2 Verify & submit to ORCID

Find by name

Find by grant title

Note: Name searches are not case sensitive. Also, an entry like 'M Smith' will not bring back 'Mike Smith' so please enter the name as it would have appeared. You may also use the "*" wildcard. For example, 'Mi*' will bring back 'Mike', 'Michael' etc. Only the first 1000 matching grants will be retrieved.

Send Scopus Author details and publication list to ORCID

Your publications on Scopus may be spread over a number of different Author profiles, because these are generated automatically.

In order to create a single profile containing the correct publications, please follow the steps in this wizard.

On completion, any changes will be sent as corrections to Scopus.

To locate all Author ID's please provide all the name variants under which you have published below.

 **The search query returned no authors.**
 Unfortunately we could not find any authors by that name, please enter more author names.
